

# IKAMVAYOUTH

THE FUTURE IS IN OUR HANDS

IkamvaYouth seeks to provide After School Practitioners with an opportunity to professionalise and innovate the After School sector.

TRAINING COURSE: BASIC TUTORING	
<b>US Title:</b>	Non-accredited
TRAINING OUTCOMES	
<p>This non-accredited one-day workshop seeks to support afterschool programme practitioners to deliver effective tutoring of grades 9-12 learners. It is based on the IkamvaYouth Tutoring Model that is designed for learners to pass matric and to further their tertiary studies or find post-matric opportunities. However, it could also be adapted to any school grades. This training workshop can be condensed to a less interactive and participatory half-day session for advanced tutors, but it is not the preferred option.</p> <p>More specifically, after completion of the course, delegates will be able to:</p> <ul style="list-style-type: none"> <li>❖ Provide a theoretical and practical introduction to the tutoring methodology, its characteristics as well as the differences between tutoring and teaching;</li> <li>❖ Introduce the theory of peer-to-peer learning and provide practical techniques to facilitate group tutoring sessions;</li> <li>❖ Enable your employees to understand learners' motivation and to introduce strategies to maintain attendance by the learners during the course of the tutoring programme; and</li> <li>❖ Explore ways to deal with learners' psycho-social and learning difficulties to better manage group dynamics and create a participative learning environment, and to improve discipline and classroom management.</li> </ul>	
ASSESSMENT	
There is no assessment after the training, but it is possible to arrange for summative assessment.	
Who should apply?	
Education, Training & Development Practitioners   ABET Facilitators   Community Workers	
<p>Applicants must be:</p> <ul style="list-style-type: none"> <li>❖ In possession of a grade 12, or equivalent qualification;</li> <li>❖ Committed to attend all the training days and be fully committed to participate in the process;</li> <li>❖ Having some experience in the After School, Child and Youth Development, or Education sectors and currently working with school learners as their primary beneficiaries; and</li> <li>❖ Willing to use the skills and knowledge to support learners in under-resourced communities.</li> </ul>	
Course costs	
The cost of this course is valued at R2,000.00, but we offer scholarships to needy applicants who are providing academic and career support to learners, especially for grades 9-12 learners.
