ICT Technician

Re- Advertisement

IkamvaYouth is a township-based volunteer program that gets learners out of poverty through education. The Organisation exists to reduce inequality in South Africa, and its track record of matric results, access to post-school opportunities, and alumni success is proof that positive change is possible.

The Purpose of the Position:

The primary purpose is to provide technical support, maintenance, troubleshooting, support procurement, and any other ICT-related equipment, and ensure that the organization's technology resources are operating efficiently.

Reporting line: ICT Manager

Location: Cape Town Salary:

R20 397,8

Medical Aid Allowance

Responsibilities:

- Contribute to the achievement of department-specific objectives.
- Keep abreast of relevant trends and information in the ICT industry.
- Provide IT support by Responding appropriately to staff incidents, queries, or complaints.
- You will be troubleshooting, installing, maintaining, and supporting a wide range of SME IT systems.
- Arrange and conduct training for all IY staff on collaboration software & and technology systems (Google Apps, Webex, Skype, Dropbox, etc.) as and when required.
- Ensure that all new employees are inducted on IY collaboration software and technology systems.
- Develop and manage all branch and office audit spreadsheets.
- Track changes, together with Branch Assistant on the audit spreadsheet
- Ensure that all tech assets are insured.
- Attend to all queries related to lost and/or stolen equipment.
- Effective procurement of equipment for staff, labs, and offices

Qualification & Competencies Required:

- A diploma or certificate in Information Technology
- A minimum of 3 years' experience in the IT sector
- Valid Drivers License
- Experience in training on various tech platforms would be advantageous.
- Patience and ability to train and support colleagues with a wide range of technical competencies.
- Experience in cloud platforms would advantageous
- Performance-oriented, attention to detail, proactive, and resourceful
- Good written and verbal communication skills
- Problem-solving skills, a team player, yet could work independently.
- Commitment to IY's Seven values and redressing inequalities through education

Preference will be given to EE candidates.
